2. Dividend

At the Meeting held on 11th February, 2013, the Directors had recommended an interim dividend @ Rs. 2.50 (25%) per equity share of Rs. 10/- each, fully paid, for the financial year 2012-13, since paid. The Directors are pleased to recommend final Dividend @ Rs. 1.50 (15%) per equity share of Rs. 10/- each, fully paid, for the year ended 31st March, 2013, making total dividend recommended of Rs. 4/- (40%) per Equity Share of Rs. 10/- each, fully paid, subject to the approval of Shareholders at the ensuing Annual General Meeting.

3. Operations

Our total production during the year was almost the same as that of previous year. The overall gross sales income was Rs. 1128 Cr [1047 Cr] and income, net of taxes, Rs. 976 Cr [932 Cr]. The increase in the Net Sales Income is due to higher rates of inputs consumed.

For the year, the PBDIT is 4152.13 [3853.13], Finance Charges 506.85 [595.33], Depreciation 1257.41 [1293.52], PBT 2387.87 [1964.28], Provision for Tax 792.41 [549.78], and PAT 1595.46 lacs; which is more than the previous year. Our Reserves and Surplus (excluding Revaluation) are about Rs. 19063 [17993] at the end of March 2013.

During the fiscal, the overall economic and Industrial climate was unfortunately sluggish. Electrical Equipment Manufacturing Industry registered negative growth.

High rates of interest, increase in the cost of our primary inputs, substantial volatility in the foreign exchange, inflation has resulted in the contraction of the production of the domestic Capital-Goods-sector. Due to high cost of proper grade fuel, and issues pertaining to environmental clearances, the Power-sector registered low growth.

Notwithstanding whatever has been stated in the foregoing paragraphs, your Company continues to be optimistic about future growth in the sector. India, being a power-deficit-country, the long term prospects of the Electrical Equipment Manufacturing Industry is bright. Our Government is aware of constraints and has initiated remedial measures. Our Winding Wires, as you are aware, are used in the manufacture of Electrical Equipment, which again depend on the development of Electrical Power sector.

Our Company is looking forward to the future with optimism. India will require to increase its electricity generation capacity by about four times within the next twenty years so as to be able to achieve the projected annual GDP growth of about 7% or so. Besides the Power-sector, infrastructure projects such as airports, metros etc. are expected to generate good demand for electrical equipment. However, the industry will require a level playing field and safeguards against surge of imports as a result of various Trade Agreements signed by our Country. Inherent distortions arising from rapidly increasing Trade Deficit need prompt remedial actions.

Despite an adverse economic climate in the country, your Company has performed well during the year under review.

Your Company has discharged all financial obligations in time, without delay or default and continues to remain a high dividend paying Company with low-debt-gearing.

Your Company continues to be the market-leader in the field of Winding Wires in India. Export efforts continue.

4. Listing / Dematerialisation of the Company's Equity Shares:

The Equity Shares of your Company continue to be listed at the Bombay Stock Exchange Ltd, (BSE) and National Stock Exchange of India Ltd (NSE) and required Annual Listing Fees have been paid.

The Equity Shares of the Company are compulsorily traded in dematerialized form as prescribed by SEBI. The same are registered with both National Securities Depository Ltd., Trade World, 4th Floor, Kamala Mills Compound, Senapati Bapat Marg, Lower Parel, Mumbai - 400 013, and Central Depository Services (India) Limited, Phiroze Jeejeebhoy Towers, 28th Floor, Dalal Street, Mumbai - 400 023, Under ISIN No. INE372C01011 common for both.

Chairman & CEO

Mumbai,
Dated 29th May, 2013

a) Industry Structure & Development:

The Company produces Winding Wires made of Copper which are used in the manufacture of both rotating and static electrical equipments. Though there are number of players in the Industry including many in SSI sector, due to quality of our products and long standing relationship with OEM customers, we continue to remain Industry-Leader. Despite adverse operational conditions prevailing in the country, we have performed well.

The overall capacity utilization of the Industry in the Country is marginally lower than the previous year. This is due to the sluggish demand from Electrical Equipment Manufacturing Sector which did not have adequate orders from Electric-Power-Sector and infrastructural projects. Both Industrial & economic structure of the Industry remains affected due to high Cost of input, inflation, substantial volatility in Forex. Your Company continues to cater to the OEM sector. Emphasis on direct physical export abroad continues.

b) Opportunities & Threats

As ours is a power-deficit country, massive investment in the power sector, regardless of any change in the political system, is likely to continue. Government has ambitious plans for increasing installed capacity for electric power generation, four fold, during next twenty years; also large infrastructural project such as Metros, Airports, etc. may also induce the growth in demand of electrical equipment manufacturing sector.

As India continues to remain a massive Power-Deficit-Country regardless of adverse development at home or abroad, the investment and the growth in the power sector on the long run are bound to continue. There may be some factors which may temporarily not be conducive to the fast track growth but ultimately the universal fact regarding demand and supply shall prevail.

The living standard of the people in the country is generally improving so also the Industrial Development & combined effect thereof, will anyhow, force the accelerated growth of Electric-Power-Sector and consequently that of Electricity Equipment Manufacturing and Winding Wire Sector.

However, due to economic downturn at home, and inadequate availability of proper grade coal required, and high cost of fuel for thermal power generating Stations, implementation of such undertaking by large Private Sector firms has been delayed. Foreign Direct Investment (FDI), as expected, has also slow down considerably. Rapidly increasing Trade deficit generates pressure on our Currency, which fuels inflationary cycles. Imports of electrical equipments is high, despite availability of capacity in domestic-manufacturing-sector.

Though the Government is seized of the issues, some genuine constraints for time being exist. There are some factors which may be temporarily/ non-conducive for the fast track growth but reorientation of policy is imminent. Ultimately increasing paucity of electric power in the Country shall activate the change in the policy.

Substitution of copper by aluminum, in small rotating equipment is visible. Before making sizable new

investment, your company has decided to explore the possibilities during the current year.

Operating conditions, during next two years may pose interesting challenges, competition may continue to be intense; however, we are well equipped to face, due to our low-debt-gearing and considerable experience in the industry.

c) Segment-wise or Product-wise performance:

The Company's core activity is production and sale of only one product i.e. Winding Wires made of Copper. Despite adverse operating condition, we have maintained production level. Sale income is marginally higher. Profit during the year under review is more than the previous year.

Our emphasis on export continues and growth thereof satisfactory. Our insulating varnish division at Palej continues to operate satisfactory and provides important contribution to the quality of our finished product.

d) Outlook:

Long Term outlook of the Indian Economy, and consequently, electric-power-sector is healthy.

e) Risks and concerns:

Please refer to foregoing paragraphs.

f) Internal control systems and their adequacy:

Commensurate with the size of your Company and the nature of its business, your Company has adequate internal control procedures and regular Internal Audit systems. This has been confirmed by the Auditors in their report to the members.

g) Discussion on Financial Performance with respect to Operational performance (All figures rounded off in Rupees Lacs only):

Reserve and surplus (excluding revaluation) increased to 19063 [17993].

Debt / Equity ratio 0.45.

Total dividend, for the year, (including proposed Final Dividend at Rs. 1.50 per Equity Share of Rs. 10/- each, fully paid) 40%, subject to approval by members at ensuing AGM.

During the year under review, our production was same almost at the level of last year. Gross Revenue from operations increased due to higher rate of input.

Finance cost 507[595], Depreciation and amortization expenses 1257[1294], were lower.

More Direct Exports, higher fuel price and inflation, resulted into higher expenses for freight/ transportation and packing materials consumed 926[835], 772[721] respectively.

Other expenses are lower at 749[810].

Repair and maintenance to machineries was higher 435[335] due to preventive/regular maintenance of costly imported plants.

Foreign exchange loss lower at net 50[370]. Premium on forward exchange contract 283[160], increased due to more imports.

MANAGEMENT DISCUSSION AND ANALYSIS

Employees Benefit Expense were higher due to revised wage agreement with Union / employees, 1356[1156]. These include contribution to provident fund and bonus etc.

Long term borrowing was 791[526].

Increase in Short term borrowing 8217[5807], Trade payables 17732[15318] and other current liabilities 4056[2463] was primarily due to higher level of inventory 9813[7611] (consequent upon threatened strike by transport operators, closure of Sterlite Tuticorin plant, which prompted us for inventory buildup), higher Trade Receivables 19260 [16834] due to economy slow-down and higher level of procurements on Credit Basis.

Your Company continues to be market leader in the field of Winding Wires made of Copper in India. The Company has discharged all financial obligations in time on due dates, without any default or delay.

h) Material Developments in Human Resources / Industrial Relations including number of people employed:

Industrial relations during the year were generally satisfactory and new wage agreements with the labour at Silvassa Plants have been concluded.

i) Cautionary Statements:

Statements in this Management Discussion and Analysis describing the company objectives, estimates and expectations may be Forward Looking statements within the meaning of applicable laws and regulations. Actual performance may differ substantially or materially from those expressed or implied.

PRECISION WIRES INDIA LIMITED

Report on the Financial Statements

1. We have audited the accompanying financial statements of Precision Wires India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors Responsibility Statement

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;

- b) in the case of the Profit and Loss Account, of the profit for the year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

7. As required by the Companies (Auditor's Report) Order, 2003 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
8. As required by section 227(3) of the Act, we report that:
 - a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
 - c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.

AUDITORS' REPORT

S.R. DIVATIA & CO.
CHARTERED ACCOUNTANTS

To the Members of
Precision Wires India Limited

We have examined the compliance of conditions of corporate governance by Precision Wires India Limited ("the Company") for the year ended 31st March, 2013, as stipulated in clause 49 of the Listing Agreement of the Company with the stock exchanges.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company, of ensuring the compliance of the conditions of corporate governance. It is neither an audit nor an expression of the opinion on the financial statements of the Company.

Based on the aforesaid examination, in our opinion and to the best of our information and according to the explanation given to us, we certify that the Company has complied with the conditions of corporate governance as stipulated in the above mentioned listing agreement. We have to state that the records of investor grievances are maintained by the Registrar and Transfer Agents appointed by the Company. The Registrar and Transfer Agents have certified that during the year under review there were no investor grievances pending/unattended to for more than 30 days.

We further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

**NOTE 26 : SIGNIFICANT ACCOUNTING
POLICIES AND NOTES ON ACCOUNTS**

A. SIGNIFICANT ACCOUNTING POLICIES**1. Basis of Preparation of Financial Statements :**

The Financial Statements have been prepared under the historical cost convention in accordance with generally accepted accounting principles and comply with the mandatory accounting standards issued by the Institute of Chartered Accountants of India and the provisions of the Companies Act, 1956, as adopted consistently by the Company.

2. Use of Estimates :

The preparation of financial statements in conformity with GAAP requires the management of the Company to make estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. These estimates are based upon management's best knowledge of current events and actions. Difference if any between the actual results and estimates is recognised in the period in which the results are known.

3. Fixed Assets and Depreciation :

i. Fixed Assets are stated at cost, net of Cenvat credit, where applicable, less accumulated depreciation and impairment losses. Cost includes financing and other costs incurred for bringing the assets to its working condition for the intended use. Borrowing costs related to the acquisition or construction of the qualifying fixed assets for the period up to the completion of their acquisition or construction are capitalised. Cost of fixed assets not ready for their intended use before such date are disclosed under capital work in progress.

ii. Depreciation on Fixed Assets (except those described below) is provided on the Straight Line Method at the rates not less than those specified from time to time in Schedule XIV to the Companies Act, 1956, which management considers as being representative of the useful economic life of such assets:

The management estimates the useful life of certain assets as follows :

Office Equipments	5 years
Computers	3 years
Furniture and Fixtures	5 years

Technology Transfer Cost is amortised over a period of 6 years.

iii. Depreciation on additions to assets or on sale of assets as the case may be is calculated pro-rata from the month of such addition or upto the month of such sale.

iv. Assets scrapped / discarded from use and held for disposal, if any, are stated at lower of book value or their estimated net realisable value.

4. Impairment of Assets :

An asset is treated as impaired when the carrying cost of assets exceeds its estimated recoverable value. The recoverable amount is greater of the Assets' Net Selling Price and Value in Use. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

5. Investments :

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current investments are carried at lower of cost and fair value. Long term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary, if any, in the value of the investments.

6. Inventories :

i. Inventories are valued on FIFO basis at lower of cost or estimated net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

ii. Cost of Work in progress includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

iii. Closing stock of finished goods includes Excise duty payable thereon wherever applicable.

7. Excise duty / Service Tax :

Credit availed of Excise duty / Service Tax paid on inputs is reduced from the cost of material / services and is carried forward in Current Assets, Loans and Advances pending utilisation.

8. Income and Expenditure :

i. Revenue / Income and Cost / Expenditure are generally accounted on accrual basis as they are earned or incurred, except those with significant uncertainties.

ii. In cases where duty paid materials are consumed prior to duty-free import of material for manufacture of products for export, the estimated excess cost of such material over that of duty free materials is carried forward and charged to revenue on consumption of such duty-free materials.

iii. Sales are recognised at the point of despatch of goods to the customers. Sales are net of discounts, Sales Tax / VAT and Sales Returns.

iv. Interest income is recognised on time proportion basis.

v. Dividend on Investments is accounted when received.

vi. Insurance claim receivable is recognised in the year of the loss to the extent ascertainable.

**NOTE 26 : SIGNIFICANT ACCOUNTING
POLICIES AND NOTES ON ACCOUNTS**

9. Foreign Currency Transactions :

- i. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. Non Monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.
- ii. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign transactions are recognised in the Profit and Loss Account.
- iii. Premium or discount on forward contracts are amortised over the life of the contract. Foreign Exchange Forward Contracts are re-expressed at the Balance Sheet date and Exchange difference between the spot rate at the date of contract and spot rate on the Balance Sheet date is recognised as gain/loss in the Profit & Loss Account, in terms of pronouncement of the Institute of Chartered Accountants of India.

10. Derivative Instruments :

The Company uses forward contracts to hedge its risks associated with foreign currency fluctuations relating to firm commitment contracts and highly probable forecast transactions. The Company designates such forward contracts in a cash flow hedging relationship by applying the hedge accounting principles set out in "Accounting Standard 30 Financial Instruments: Recognition and Measurement". These forward contracts are stated at fair value at each reporting date. Changes in the fair value of these forward contracts that are designated and effective as hedges of future cash flows are recognised directly in "Hedging reserve account" under Reserves and Surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Amounts accumulated in the "Hedging reserve account" are reclassified to the Statement of Profit and Loss in the same periods during which the forecasted transaction affects profit and loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. For forecasted transactions, any cumulative gain or loss on the hedging instrument recognised in "Hedging reserve account" is retained until the forecasted transaction occurs. If the forecasted transaction is no longer expected to occur, the net cumulative gain or loss recognised in "Hedging reserve account" is immediately transferred to the Statement of Profit and Loss.

In accordance with Accounting Standard 11 ["Effects of changes in Foreign Exchange Rates"] and Accounting Standard 30 ["Financial Instruments – Recognition and Measurement"] as also Accounting Standard 16 ["Borrowing Costs"] issued by the Institute of Chartered Accountants of India, on the Buyers Credits in Foreign Currency availed from time to time up to the time of their settlement or up to the time of creating hedge thereagainst, the Foreign Exchange Gain / Loss applicable on the amount of difference in borrowing cost in Indian Currency and borrowing cost of Buyers' Credits in Foreign Currency is accounted as "Applicable loss on foreign currency transactions and translations" under Finance Cost in the Profit and Loss Account.

11. Employees Benefits :

- i. "Gratuity Benefits are accounted for on the basis of amount determined by actuarial valuation made by Life Insurance Corporation of India (LIC) using the Projected Unit Credit Method and are funded accordingly by the approved Trust. Contribution made to LIC is charged to Profit and Loss Account. Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognized in the Profit and Loss in the period in which they arise". "In respect of certain employees who are not covered under approved Gratuity Fund, the liability is determined on the basis of Actuarial Valuation and is charged to Profit and Loss Account".
- ii. The Company's provident fund and pension scheme are in form of defined contribution plans where contribution is made to funds / Government managed schemes. These are accounted on accrual basis and charged to the Profit and Loss Account of the year in which the employee renders the related service.
- iii. The monetary value of leave encashment benefit is provided on the basis of actuarial valuation.

12. Taxes on Income :

In accordance with Accounting Standard AS 22 - Accounting for Taxes on Income, issued by the Institute of Chartered Accountants of India, the deferred tax for timing differences between the book and tax profits for the year is accounted for using the tax rates and the laws that have been enacted or substantively enacted as of the balance sheet date. Deferred Tax assets arising from temporary timing differences are recognised to the extent there is reasonable certainty that the asset can be realised in future.

13. Provisions, Contingent liabilities and Contingent Assets:

Provisions are recognised for liabilities that can be measured only by using a substantial degree of estimation, if

- (a) the company has a present obligation as a result of a past event
- (b) a probable outflow of resources is expected to settle the obligation; and
- (c) the amount of the obligation can be reliably estimated.

Contingent liability is disclosed in case of

- (a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- (b) a present obligation when no reliable estimate is possible
- (c) a possible obligation arising from past events where the probability of outflow of resources is remote.

Contingent Assets are neither recognised, nor disclosed.

Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.
